

The following Warranty Statements apply to products supplied by Voda Plumbingware Limited (VODA) to customers in the New Zealand market. This is in addition to VODA's responsibility to customers under all other statutory and regulatory requirements.

This Warranty Statement is applicable only to products purchased from VODA in New Zealand.

## Warranty Statement for VODA and KLUDI Branded Products

### GENERAL WARRANTY STATEMENT

The following Warranty Statement applies to all:

VODA and KLUDI branded showers, tapware, internal parts, surfaces, and hoses, and spare parts for VODA Branded Products (Spare Parts), supplied to customers in the New Zealand market.

Where VODA or KLUDI Branded Products and Spare Parts are used in:

- domestic / residential installations
- hotels, motels, camp grounds
- rest homes
- all other commercial installations, typical examples such as airports, public restrooms, halls, commercial buildings,

In addition to any other right or remedy that the Purchaser or end user may have under any relevant consumer protection legislation, VODA undertakes to either **repair or replace** (at its discretion) VODA and KLUDI Branded Products and replace Spare Parts at an equivalent value of the product purchased if it is discovered that the product contains a **material defect which arose in the course of manufacture**.

Please note: Replacement of any product, in whole or part, does not extend the warranty period to begin from the date of the replacement (i.e. the warranty period remains as starting from date of *original* purchase as per the consumer's receipt).

### DOMESTIC/Residential Installations of VODA Products

The term applies to VODA Branded Products used in domestic/residential installations from the date of purchase.

**A 10 year replacement warranty** applies to VODA showers and tapware to the original purchaser, with proof of purchase.

Overriding the above Domestic/Residential terms is the surface coatings of the product **FULL CHROME** plated carries the above terms and **COLOURED/COATED** surfaces carry a **2 year replacement warranty**.

VODA SPARE PARTS have a **10 year replacement guarantee** (excluding labour and freight costs).

## **DOMESTIC/Residential Installations of KLUDI Products**

## Warranty Conditions for VODA and KLUDI Branded Products

VODA'S domestic/residential installations warranty and commercial installations warranty for VODA and KLUDI Branded Products are subject to the following conditions:

- Proof of purchase (such as invoice or receipt) must be provided.
- The product must not contain excessive debris (in-line filters must be installed)
- VODA's installation instructions must be followed. This includes operating conditions specified for temperature and pressure (kPa).
- The product must not have been tampered with or repaired in any way other than in accordance with this warranty.
- The product must not have been damaged by misuse, accident or neglect.
- The product must not have discolouration, corrosion or rusting from 'hard' water and/or other environmental factors.
- That no harsh detergents, abrasive, alcohol-based or acidic cleaners, rough sponges or metallic cleaning pads have been used on the product.
- The product must have been installed in accordance with the relevant New Zealand Building/Plumbing Codes by a certified Plumber.
- All warranty covered repair work is to be performed by a VODA Representative, VODA's authorised service agent or plumber who has received a VODA Service Request number.
- If the VODA product that is returned under a warranty claim was not found to have a manufacturing fault or was found to be a fault caused by installation and VODA sent out in good faith a replacement product or component (the act of sending out a replacement product is not an admission of liability) and/or arranged a Plumber for installation of the replacement – VODA does not accept liability for payment and will on-charge the Plumber's cost, cost of the replacement product and any other costs associated with this claim onto the Claimant.

**If the above conditions are not met, the warranty will be null and void.**

VODA shall in no way be liable to the Purchaser/Claimant or end user of product for any loss, damage (direct, indirect or consequential), cost or expense suffered or incurred by that person (including, without limitation, any damage and/or labour charges incurred in installation, repair or replacement), other than as provided in the above provisions, under any **relevant consumer protection legislation** or as consented to by VODA in writing in advance.

## Warranty Statement for exported products

The following warranty statement shall also apply to all tapware and showerware supplied to the export market:

Where VODA tapware or showerware is purchased for use or on-sale in the context of any business, VODA undertakes to either repair or replace (at its option) that tapware, if it is discovered that such tapware contains a material defect, which arose in the course of manufacture. This undertaking shall not apply if:

- The above undertaking from VODA shall also apply to any purchaser of VODA tapware or showerware who is a "Consumer" under the local Consumers Act, in addition to any other right or remedy which such person may have under that Act.
- VODA shall in no way be liable to the Purchaser or user of any tapware or showerware, for any loss, damage (direct, indirect or consequential), cost or expense suffered or incurred by that person, otherwise than as provided in the above provisions.
- The guarantee does not cover either the consequences of incorrect installation, usage, maintenance or product care, which must be done according to the instructions included in the package; or damages resulting from collision or transportation or due to the presence of residues or foreign matters in the piping system.
- If you have a defective product and wish to make a claim under this guarantee, please contact VODA Customer Service. New Zealand +64 9 470 2090
- Proof of purchase is required and is not available.
- There is a failure by any person to follow VODA's installation instructions or the tapware is used other than in accordance with VODA's specifications.
- Evidence cannot be produced which confirms that the relevant tapware was purchased from a VODA authorised distributor.
- Repair work is performed on the relevant tapware by a person other than VODA, or its authorised service agents, or any plumber who has not received authorisation prior to proceeding with the work.
